

EL PIANO

***WINES MADE WITH PASSION,
LOW YIELDS,
GREAT STORIES***

When and how...

In 2012 I found just the right moment to go ahead with a personal Project that would convey the values of the Garnacha grape variety and also those of the village of San Martín de Unx, all in a bottle of wine.

I decided to call it “El Piano”, given that I considered the piano to be a harmonic, captivating and profound instrument (just like this wine), an instrument that conveys the values of the player, one that, when listened to live and holding a glass of wine, creates some very pleasant sensations. I even dared to pair it with a song that I have listened to time and time again (“River flows in you” by Yiruma), ultimately paying homage to the person who has dedicated so many hours of Piano to me.

Variety: Garnacha 100%.

Barrel ageing: 12 months ageing in at least 5-year used American Oak barrels. We aim to minimise the toasted and smoked flavour of the oak.

Area and Vineyards: San Martín de Unx (Navarre), vineyards located in the central mountain area.
