

# LA HUELLA DE AITANA

***WINES MADE WITH PASSION,  
LOW YIELDS,  
GREAT STORIES***

### *When and how...*

A special wine for me, "the much-cherished child". The first harvest in 2011, the first year in the life of Aitana (my daughter), so I decided to dedicate this wine to her. It had to be something delicate, fine, with "appeal"... and what better than a rosé wine, a different rosé wine, one with character that would permit good bottle ageing. This is what I hoped to achieve... at least it's a wine that has come into the world full of good intentions and, when it's made with nothing but love and care, it's hard for it to go wrong. Enjoy!

*Variety:* Garnacha 100%.

*Barrel ageing:* Barrel-fermented (4 months American Oak) and aged on the lees.

*Area and Vineyards:* San Martín de Unx (Navarre), vineyards located in the central mountain area.
