

HURACÁN DANIELA

***WINES MADE WITH PASSION,
LOW YIELDS,
GREAT STORIES***

When and how...

As the saying goes, there's never one without two, I just hope that it will be a case of two without three... 2015 saw the birth of Daniela, my second daughter, a volcano of expressiveness, noise, gaiety and tears, but above all happiness, a happiness that she exudes, one that sweeps you away wherever she goes... in essence, a hurricane of feelings.

An intense, powerful wine and with many nuances, that's Daniela: great work in jar lees, giving it a distinctive character.

Variety: White Garnacha 70%, rest: Chardonnay, Viura and Sauvignon blanc.

Jars / earthenware vessels: Fermented in earthenware vessels and aged with their lees for 6 months.

Area and Vineyards: San Martín de Unx (Navarre), vineyards located in the central mountain area.
