

MILOCA GRENACHE

CERTIFIED ORGANIC WINE

VITICULTURE

Grapes from two farms located in the municipality of Marçà; Les Pedrenyeres and Mas d'en Crusat, organically grown and harvested by hand.

VINIFICATION

Fermentation and maceration in stainless steel tanks for fifteen days and ageing in the same tank for five months.

COUPAGE

100% red Grenache

TASTE

Intense, pure, authentic and direct. The aroma contains hints of cherry, citrus and balsamic that reminds us of the Grenache of the DO Montsant. Complex in the mouth it expresses the elegance of the grape variety perfectly.
